1. Aims

Our school aims to meet its obligations with regards to school attendance by:

- Promoting good attendance and reducing absence, including persistent absence
- Ensuring every pupil has access to full-time education to which they are entitled
- Acting early to address patterns of absence

We will also support parents to perform their legal duty to ensure their children of compulsory school age attend regularly, and will promote and support punctuality in attending lessons.

Pinehurst Primary School recognises the clear link between the attendance and achievement of pupils.

The aim of this policy, is to encourage the highest possible levels of attendance and punctuality for pupils within Pinehurst Primary School to support learning and development.

The importance of attendance and punctuality is underpinned by an awareness of safeguarding issues. It is important to see our children every day and provide an educationally safe and secure environment. To gain the greatest benefit from their education it is vital that all pupils attend regularly and on time.

Pupils should aim to attend every day that the school is open. We set a target for all pupils to aim for 100% attendance with the expectation all pupils achieve at least 97%.

As a school we define regular attendance as 97% or above.

Pinehurst Primary School believes Teachers, Parents, Carers, Pupils and all members of Pinehurst Primary School community have an important contribution in improving attendance and punctuality ensuring pupils attend to achieve.

This Policy sets out how we will achieve this together and should be read in conjunction with the Attendance Roles and Responsibilities Guidance attached to this document.

2. Legislation and guidance

This policy meets the requirements of the [school attendance guidance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- [The Education Act 1996](#)
- [The Education Act 2002](#)
- [The Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2010](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2011](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2013](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2016](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

This policy also refers to the DfE's guidance on the [school census](#), which explains the persistent absence threshold.

3. School procedures

3.1 Attendance register

By law, all schools (except those where all pupils are boarders) are required to keep an attendance register, and all pupils must be placed on this register.

The attendance register will be taken at the start of the first session of each school day and once during the second session. It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See appendix 1 for the DfE attendance codes.

Every entry in the attendance register will be preserved for 3 years after the date on which the entry was made.

Pupils must arrive in school by 9.05 am on each school day.

The register for the first session will be taken at 8.50am. The register for the second session will be taken at 12.45pm (ks1). 1.30pm (ks2).

Any child who arrives between 8.50am and 9.05am (when the Late Gate closes) will be recorded as being late.

3.2 Unplanned absence

Parents must notify the school on the first day of an unplanned absence – for example, if their child is unable to attend due to ill health – on the first day of illness by 8.30am or as soon as practically possible (see also section 6).

Parents can inform the school of an absence by telephoning the school office on:

0151 263 1300

Absence due to illness will be authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school may ask parents to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

3.3 Medical or dental appointments

Missing registration for a medical or dental appointment is counted as an authorised absence; advance notice is required for authorising these absences.

However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

For a dental or medical appointment please provide an appointment card or similar for the appointment to be authorised.

Applications for other types of absence in term time must also be made in advance. Information relating to whether the school can authorise such absences can be found in section 4.

3.4 Lateness and punctuality

A pupil who arrives late but before the register has closed will be marked as late, using the appropriate code.

A pupil who arrives after the register has closed will be marked as absent, using the appropriate code.

Children with ongoing punctuality issues will be offered a parental meeting with school and the schools learning mentor, Assistant Headteacher (Mrs Steers) and/or EWO.

3.5 Following up absence

The school will follow up any absences to ascertain the reason, ensure proper safeguarding action is taken where necessary, identify whether the absence is approved or not and identify the correct attendance code to use.

First response texts are made each morning to contact parents of all absent children. If no response is received from the text a follow up call is made (First Direct Response). A second call is made later on in the morning for families who we have been unable to reach.

If contact is not made, an email will also be sent to the parent's email address in order to gain a response.

A further call will be made during the afternoon, to see if a child who has been reported to feel unwell, will be returning to school the following day/after the weekend.

If a pupil is persistently (or intermittently) absent, the school will write to the parents and invite them to attend a meeting at school.

If a pupil is persistently absent, or late, and the schools efforts to effect an improvement have been unsuccessful, the situation will be referred to the Education Welfare Officer during his/her consultation visit.

- Notes from parents will be kept on the pupil's file (Link Docs). All telephone messages regarding absence/lateness are to be recorded in SIMs & CPOMS.
- For 'no reason given' absences letters will be sent requesting an explanation.

3.6 Reporting to parents

Your child's attendance will be recorded via the end of year school report. Here you will be able to see your child's attendance, number of lates and authorised and unauthorised absences,

4. Authorised and unauthorised absence

4.1 Granting approval for term-time absence

Headteachers may not grant any leave of absence to pupils during term time unless they consider there to be 'exceptional circumstances'.

We define 'exceptional circumstances' as a family bereavement or taking part in a significant religious event. Both examples would be acceptable for short absences.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request. A leave of absence is granted entirely at the Headteacher's discretion.

Valid reasons for **authorised absence** include:

- Illness and medical/dental appointments – as explained in sections 3.2 and 3.3
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart
- Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh Gypsies, Irish and Scottish Travellers, Showmen (fairground people) and Circus people, Bargees (occupational boat dwellers) and New Travellers. Absence may be authorised only when a Traveller family is known to be travelling for occupational purposes and has agreed this with the school but it is not known whether the pupil is attending educational provision
- Term time holidays will not be authorised.

4.2 Legal sanctions

Schools can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

A penalty notice maybe issued.

The decision on whether or not to issue a penalty notice ultimately rests with the Headteacher, following the Local Authority's Code of Conduct for issuing penalty notices. This may take into account:

- A number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded pupil is found in a public place during school hours without a justifiable reason

For payment terms please see Liverpool Councils guidance.

5. Strategies for promoting attendance

Within school we support attendance with:

Class Dojos

Verbal recognition

Attendance certificates
100% attendance raffle
Class displays to promote good attendance.
Assemblies to promote attendance
Attendance badges
Local attendance awards
Attendance being a standard item on all staff meeting agendas

6. Attendance monitoring

The Attendance Team monitors pupil absence on a daily basis.

Parents are expected to call the school in the morning if their child is going to be absent due to ill health

If a pupil's absence goes above 3 days we will contact the parents to discuss the reasons for this.

If after contacting parents a pupil's absence continue to rise, we will consider involving an Education Welfare Officer.

Persistent Absentees (PAs) are analysed on a weekly basis.

The persistent absence threshold is 10%. If a pupil's individual overall absence rate is greater than or equal to 10%, the pupil will be classified as a Persistent Absentee.

The Attendance Team will hold an Attendance Review Panel which will be held every four weeks. Parents of children who are PA will be invited to review and discuss their child's attendance

Pupil-level absence data is collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. We compare our attendance data to the national average, and share this with governors.

7. Roles and responsibilities

7.1 The Governing Body

The Governing Body is responsible for monitoring attendance figures for the whole school on at least a termly basis. It also holds the Headteacher to account for the implementation of this policy.

7.2 The Headteacher

The Headteacher is responsible for ensuring this policy is implemented consistently across the school, and for monitoring school-level absence data and reporting it to governors.

The Headteacher also supports other staff in monitoring the attendance of individual pupils and issues fixed-penalty notices, where necessary.

7.3 The Attendance Team

The Attendance Team:

- Monitors attendance data at the school and individual pupil level
- Reports concerns about attendance to the Headteacher
- Works with Education Welfare Officers to tackle persistent absence
- Arranges calls and meetings with parents to discuss attendance issues
- Advises the Headteacher when to issue fixed-penalty notices

7.4 Class teachers

Class teachers are responsible for recording attendance on a daily basis, using the correct codes, and submitting this information to the school office.

7.5 Office/Reception staff

Office/Reception staff are expected to take calls from parents about absence and record it on the school system.

8. Monitoring arrangements

This policy will be reviewed yearly by the Attendance Lead. At every review, the policy will be shared with the Governing Body.

9. Links with other policies

This policy is linked to our Safeguarding and Child Protection Policy

For the school year 2020 to 2021, a new category has been added to record instances when a pupil is 'not attending in circumstances relating to coronavirus (COVID-19)'. See this addendum for further information, including advice on the application of code X.

Code X: not attending in circumstances relating to coronavirus (COVID-19) (This code is not counted as an absence in the school census). This code is used to record sessions where the pupil's travel to or presence at school would conflict with:

- guidance relating to the incidence or transmission of coronavirus (COVID-19) from Public Health England or the Department of Health and Social Care¹² or

- any legislation (or instruments such as statutory directions) relating to the incidence or transmission of coronavirus (COVID-19) – see Appendix A

Appendix 2

Examples in which ‘not attending in circumstances related to coronavirus (COVID-19)’ could apply

In line with current legislation, and current guidance from PHE and DHSC, examples are as follows.

Pupils who are required to self-isolate as they, or a member of their household, has symptoms or confirmed coronavirus (COVID-19)

View [stay at home: guidance for households with possible or confirmed coronavirus \(COVID-19\) infection](#).

Pupils who have symptoms should self-isolate and get a test.

If a pupil tests negative and if they feel well and no longer have symptoms similar to coronavirus (COVID-19), they can stop self-isolating and return to school. If the pupil remains unwell following the test (such as with a different illness), then they should be recorded as code I – illness, as would usually be the case. Code X should only be used up until the time of the negative test result. Schools should not retrospectively change the attendance register due to a negative test result.

If a pupil tests positive, they should continue to self-isolate for at least 10 days from the onset of their symptoms. They should only return to school if they do not have symptoms other than a cough or loss of sense of smell or taste (anosmia). This is because a cough or anosmia can last for several weeks once the infection has gone. Code X should be used for the period of self-isolation until the test. After the pupil tests positive they should be recorded as code I (illness) until they are able to return to school.

If someone in the pupil’s household has symptoms, the household should self-isolate and the member of their household should get a test.

If the member of the household tests negative, the pupil can stop self-isolating and can return to school. Code X should only be used up until the time of the negative test result when the pupil can return to school.

If the household member tests positive, the pupil should continue self-isolating for the full 14 days from when the member of their household first had symptoms. Code X should be used during this period.

In all cases of self-isolation, schools should ask parents to inform them immediately about the outcome of a test. Schools should not require evidence of negative test results or other medical evidence before admitting children or welcoming them back after a period of self-isolation.

Pupils who are required to self-isolate because they are a close contact of someone who has symptoms or confirmed coronavirus (COVID-19)

View [stay at home: guidance for households with possible or confirmed coronavirus \(COVID-19\) infection](#) and [NHS test and trace](#) guidance.

Pupils may not have symptoms themselves but may be required to self-isolate if they are a close contact of someone with coronavirus (COVID-19).

The [NHS test and trace](#) guidance states that a person should self-isolate for 14 days if they have had recent close contact with a person who has tested positive for coronavirus (COVID-19). In the event of a confirmed coronavirus (COVID-19) case in the school community, the local health protection team will provide advice on who this applies to, advising them to self-isolate for 14 days since they were last in close contact with the

person that has tested positive when they were infectious. Code X should be used for these pupils during this period.

Pupils who are required by legislation to self-isolate as part of a period of quarantine

View guidance on [how to self-isolate when you travel to the UK](#).

As usual, parents should plan their holidays within school breaks and avoid seeking permission to take their children out of school during term time. Families should also consider that their child may need to self-isolate following trips overseas that require a period of quarantine⁵. If a pupil is required to be in quarantine on arrival in, or return to, the UK, code X should be used in the register.

Pupils who are clinically extremely vulnerable in a future local lockdown scenario only

View [guidance on shielding and protecting extremely vulnerable persons from Covid-19](#).

Shielding advice for all adults and children paused on 1 August 2020. This means that even the small number of pupils who will remain on the shielded patient list can return to school, as can those who have family members who are shielding.

If in future, rates of the disease rise in local areas, children still on the shielding list (or family members still on the shielding list) from that area, and that area only, may be contacted by the government and advised to stay at home and shield during the period where rates remain high. Families will receive a letter if they are required to shield again that parents will be able to share with the school. Non-attendance in accordance with guidance from PHE or the DHSC should be recorded as code X.

Schools should contact parents of pupils who are shielding when measures in the local area are lifted and shielding is paused again, to set out the expectation that they can return to school. Code X should not be used for sessions after the pupil has been advised to return to school.

Local lockdown

If rates of the disease rise locally, schools may need to prevent some pupils from attending. Schools should follow PHE or DHSC guidance on what measures are necessary in the event of local lockdown. Where attendance is to be limited to certain groups, 'not attending in circumstances related to coronavirus (COVID-19)' - code X - should be used for pupils who are asked not to attend.

Remote education

If a pupil is not attending school due to circumstances related to coronavirus (COVID-19), we expect schools to be able to immediately offer them access to remote education. Schools should keep a record of, and monitor engagement with this activity, but this does not need to be tracked in the attendance register.
