Dear Parents and Carers identified as Key Workers

Around 50 hubs to look after primary age children of key workers in Liverpool will open on Monday 23rd March.

It follows the Government's decision to close schools later today until further notice, as part of the response to coronavirus.

The strategically located school sites are only for primary age pupils whose parents are key workers and have no other safe childcare available to them, and will initially be open from 9am until 4pm.

Parents of primary school children who are eligible are asked to take their child to the nearest site which is convenient for them on Monday, where there will be staff available to receive them.
