

OCEAN WEEK

MINI DISHES FOR #OCEANWEEK

OTHER TASKS

- Make a poster about plastic waste in the sea
- How can we reuse plastic maybe think of an alternative use for a plastic bottle...
- Think about how your family can reduce your plastic use
- Replace disposable plastic with alternatives
- Recycle responsibly in the house refuse collections
- Research some sea life creatures and tell us about them

COOK & TASTE

We have lots of recipes for you to choose from this week both savoury and sweet from Ocean Ice Cream to Crabwiches. They all require different skills. If you design your own recipe why not write it up and show us what you did so others can do it.
