Experience, Excel and Enjoy

15th July 2020

Dear Parents and Carers of Children joining Nursery and Reception

We write to you at the end of a very different school year.

We very much hope that you have been able to access our 'Welcome Packs' and Induction videos and we thank you for your patience and understanding at this time.

We are very much looking forward to welcoming you and your children to the Pinehurst Family in September.

We are planning our induction carefully based upon the current advice and guidance in place.

We felt it important to provide you with information on our provisional plan.

You will be contacted in the first week of term with final arrangements for an induction visit to the setting and a start date.

Children will be invited to visit the setting with one adult on Friday 4th September or Monday 7th September. They will be given the opportunity to meet the staff who will be working with them and find their way around the setting.

Following this children will start in small groups on a part time basis until Friday 18th September when all children will stay for their first full day.

We feel that this approach to induction will help ensure the children are happy and settled in the environment and will enjoy coming to school.

We all hope that you have a lovely Summer and would love to see what you get up to on our Twitter account @PinehurstP.

Please continue to follow our Twitter account and check our website for any updates over the Summer Holidays.

We are all looking forward to welcoming you in September.

Take care, keep safe, stay well.

Kind regards

Miss Katy Morris
Headteacher

Miss Karen Thomas
Assistant Headteacher: EYFS Lead
