Experience, Excel and Enjoy

3rd January 2021

Dear Parents and Carers

You may be aware that recently there has been a lot of speculation regarding school closures. As a school, we regularly update our risk assessments to ensure the safety of our staff and children.

Unfortunately, at this point in time due to staff absence, we cannot safely reopen school for all children on Tuesday 5th January 2021 as planned.

We will be able to make provision for any vulnerable and critical worker children as we did last Summer term during the initial lockdown.

School work will be set for children to access remotely and the same work will be set for any vulnerable or critical worker children who attend school.

We plan to review our decision for next week on Thursday 7th January. We will continue to communicate information to parents and carers over this time.

Remote learning will be provided via Class Dojo. Additional updates are available on our school website www.pinehurst-primary.co.uk and our Twitter feed @PinehurstP. A member of staff will make contact with you to assist with home learning.

You should let us know at the earliest opportunity, by contacting the school office on 0151 263 1300 or texting our school mobile 07858 739336, if you are unable to access the internet at home and are not able to access remote learning. Please let us know, and we will look into alternative options for you.

If you need to contact the school or your child's class teacher for any reason, you can do so via the school office, Class Dojo or the class email address.

Thank you for your ongoing support and understanding.

Take care, keep safe, stay well.

Kind regards

Miss Katy Morris

Headteacher
