

Pinehurst Primary School

As a School when offering Remote Learning, we promise to:

- Ensure that home learning is available to all children. This will be in the form of access to the Class Dojo app, website and / or through home learning packs.
- Provide some on-line video lessons.
- Provide feedback to children and parents for any work posted onto Class Dojo.
- Regularly update our school website, including class pages and the Home Learning page.
- Provide appropriate resources where requested, such as books, work books, pencils.
- Provide a school device where requested and available.
- Follow school policy to keep children safe online when sharing school-based tasks/home learning resources.

Home Learning Agreement

When Remote Learning is required, as a Parent / Carer, I promise to:

- Ensure that my child/ward completes their home learning as set by their class teacher (either using Class Dojo, website or a pack).
- Follow a home learning routine as much as possible.
- Ensure children are supervised at all times when accessing home learning, and enable parental controls and filtering when accessing online materials.
- Ensure that if sharing images of my child through photographs, videos or virtual platforms they are wearing suitable clothing.
- Ensure any video links with staff are not recorded or photographed.

Experience, Excel and Enjoy

When accessing Remote Learning, Children promise to:

- Do your best when completing activities on the Class Dojo app or in the home learning pack.
- Try and complete the work set every day by your teacher.
- Read and write every day.
- Listen to your responsible adults and follow our school rules when learning at home:
